## Island Trails

There is an amazing array of wildlife and native flora and fauna on the Island. Each trail offers the opportunity to spot some of wildlife such as hare, deer, pheasant, fox and swan.

You can begin the walk at the end of the Hotel Car Park marked 'T' above. Walk between the bollards and follow the path onto our croquet lawns. From here you will see a stone archway, walk through this archway and you will see our rustic thatch cottage. From there follow the path to the water's edge.

At this point you can go either left for a shorter walk to the ferry (approximately 20 minutes) or right for our longer walk which will bring you around our Golf Course, Lodges and back to the ferry (approximately 2 hours).

The beginning of the walk brings you along our Trail marked at 'H' on the above map. You can combine both routes to complete the full perimeter walk of around 6.5km.
